# ENUS INVIGESTION OR DYSPEPSIA

A Little Diapepsin Relieves Stomach Misery in Five Minutes

As there is often some one in your family who suffers an attack of indigestion or some form of stomach trouble, why don't you keep some Diapepsin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a

sour, gassy stomach, five minutes after. Tell your pharmacist to let you read the formula plainly printed on these 50-cent cases of Pape's Diapepsiu, then you will readily see why it makes indigestion. Sour stomach, heartburn and other distress go in five minutes and relieves at once such miseries as belching of gas, cructations of sour, undigested food, naseau, headaches, dizziness, constipation and other stomach

disorders. Some folks have tried so long to find relief from indigestion and dyspepsia or an out-of-order stomach with the common every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of nervousness, gastritis, catarrh of the stomach or cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid gas and stomach poison which putrify in the digestive tract and intestines, and besides, pol-

son the breat with nauseous odors. A hearty appetite with thorough digestion, and without the slightest discomfort or misery of the stomach, is waiting for you as soon as you decide to try Pape's Diapepsin.
